Dental Pharmacology, Endodontics, Implant  
Surgery Robotics, and Updates in Periodontics

## Current Pharmacology Topics in Dentistry

Tom Viola R.Ph., C.C.P.

January 11, 2025 **8AM - 5PM** & January 12, 2025 **8AM - 12PM**

Fernandina Beach, FL

## How Dental Robotics Helped Me Scale My Implant Practice & A Modern Approach to Endodontics

Leo A. Haydt IV, D.M.D. & Francisco Nieves, DDS, MDS

April 12, 2025 **8AM - 5PM** & April 13, 2025 **8AM - 12PM**

Mobile, AL

## Updates in Periodontology

Joao Miguel Gomes D.M.D, M.S

September 13, 14, 15, 2025 **8AM - 12PM**

Porto, Portugal

*"Every dentist must be an expert in every phase of dentistry."*

**John L. Woehler, D.D.S.**

## **Tom Viola R.Ph., C.C.P.**

### **Current Pharmacology Topics in Dentistry**

Saturday, January 11, 2025, 8AM - 5PM

Sunday, January 12, 2025, 8AM - 12PM

Fernandina Beach, FL

#### *Objectives:*

1. *Medical and Dental Considerations for Cannabix, Cannabinoids and Terpenes.*
2. *Management of Acute Dental Pain and Appropriate Opioid Prescribing.*
3. *Treating Medically Complex Dental Patients with Essential Pharmacology.*
4. *Understanding Clinical Dental Considerations for Local Anesthetics and Vasoconstrictors.*

With over 30 years' experience as a board-certified pharmacist, clinical educator, professional speaker and published author, **Tom Viola, R.Ph., C.C.P.** has earned his national and international reputation as the go-to specialist for making pharmacology practical and useful for all members of the dental team. As the founder of Pharmacology Declassified, Tom provides valuable insight on the complex interplay between pharmacology and physiology so that clinicians may be knowledgeable about not only the dental considerations of medications used to treat systemic illness but also the systemic considerations of medications used to provide dental treatment. As an educator, Tom is a member of the faculty of over 10 dental professional degree programs and has received several awards for outstanding teacher of the year. As an author, Tom is well known for his contributions to several professional journals, has served as a contributor, chapter author and peer reviewer for several pharmacology textbooks and currently serves as a consultant to the American Dental Association's Council on Scientific Affairs. As a speaker, Tom has presented over 1000 informative, humorous and engaging continuing education seminars and webinars to dental professionals internationally since 2001. Meeting planners and attendees agree that Tom is their choice to educate within this dental specialty.

## **Leo A. Haydt IV, D.M.D.**

### How Dental Robotics Helped Me Scale My Implant Practice

Saturday, April 12, 2025, 8AM - 12PM

Mobile, AL

#### *Objectives:*

- 1. To introduce to attendees the world of dental implant surgery robotics and explore the many different facets of the cutting edge technology.*
- 2. To provide practical applications of the surgery in a general dental practice.*

**Dr. Leo A. Haydt IV** runs multiple practices with locations in Raleigh and Zebulon, North Carolina.

Dr. Haydt is recognized as one of the nation's leading experts in robot-guided implant dentistry, with a decade of experience focusing on full-arch surgeries. His commitment to precision and innovation has positioned him as a trusted authority in the field, earning him opportunities to lecture nationally for Neocis and share his knowledge with fellow professionals.

## **Francisco Nieves, DDS, MDS**

### A Modern Approach to Endodontics: Enhanced Irrigation, Conservation of Dentin, and Achieving Predictable Patient-Centered Outcomes

Saturday, April 12, 2025, 1PM - 5PM

Sunday, April 13, 2025, 8AM - 12PM

Mobile, AL

#### *Objectives:*

- 1. Review the "Endodontic Triad"*
- 2. Introduce endodontic irrigating devices*
- 3. Discuss the GentleWave® Procedure Mechanism of Action*
- 4. Appreciate various types of rotary instruments*
- 5. Understand minimally invasive endodontic therapy*
- 6. Apply hands-on learning with the GentleWave® Procedure*

**Dr. Francisco Nieves** is a board-certified endodontist and a native of Fort Worth, Texas. He earned his undergraduate degree in Biology at Saint Bonaventure University in New York before attending the University of Texas School of Dentistry at Houston. While in Houston, Dr. Nieves' research on dental stem cells and inflammatory mediators were published in the Journal of Endodontics and the International Endodontic Journal. He completed endodontic residency and earned a Masters of Dental Sciences at Rutgers University School of Dentistry in Newark, New Jersey. He returned to his home of Fort Worth to practice and opened two endodontic practices, Granbury Endodontics and West Fort Worth Endodontics. He currently serves as Vice President of the Fort Worth Dental District Society and is chair of the Peer Review Committee. Dr. Nieves has a resume of lecturing throughout the United States on efficient endodontic work flow, endodontic irrigation, and opening endodontic practices. He enjoys his free time raising his son and daughter, Leon and Amelia, with his wife, April.

## Joao Miguel Gomes D.M.D, M.S

### Update on Periodontology

Saturday, September 13, 2025, 8AM - 12PM

Sunday, September 14, 2025, 8AM - 12PM

Monday, September 15, 2025, 8AM - 12PM

Porto, Portugal

#### Objectives:

#### 1. **Part 1 – From Diagnosis to Treatment**

*The first part of the course will cover the current classification of periodontal diseases along with the treatment protocols for periodontitis and peri-implantitis. The course will cover clinical cases for each situation and provide an overview of materials and products most commonly used in Portugal (and Europe) for the treatment of these condition.*

#### 2. **Part 2 – Periodontal Plastic Surgery**

*The second part of the course will focus on acquiring knowledge about the diagnosis and classification of the mucogingival defects, defining prognosis, identifying and selecting the most appropriate surgical technique, and demonstrating clinical cases.*

Dr. Joao Miguel Gomes has published extensively in different scientific peer-reviewed journals and taught in dental meetings and congresses. He has served in the Scientific Committee for the Annual meeting of the Portuguese Society of Periodontology and Implants, where he currently serves as the Board's Treasury.

- Specialization in Periodontology and Master's Degree in Dental Medicine from the University of Lisbon
- PhD Candidate - College of Dental Medicine at the University of Lisbon
- Assistant Professor at the Periodontology Graduate Program – University of Lisbon
- Guest Lecturer at the Graduate Operative and Aesthetic Dentistry Program - University of Coimbra

The Woehler Research Group is the oldest continuously registered dental study club in the United States. Two thousand and twenty-four marks the sixtieth year of providing relevant continuing education to its members and guests.

The Group offers, to selected guests, a yearly contract, which traditionally includes two weekend seminars of two days each, usually in Florida; and an annual fall meeting of three days at unique setting such as those listed in this brochure.

The Woehler Research Group is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing education programs of this program provider are accepted by the AGD for Fellowship/Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from January 1, 2023 to December 31, 2024.  
Provider #: 215430
